

Promoting the interests of women in the sector

The group is **free** to join, and is open to anyone interested in the logistics sector who is supportive of our aims.

We run the group completely on a volunteer basis and periodically organise events which are usually free to attend, really good fun, and provide great **networking** opportunities.

Why should you join...

- **Increase** the number of women in the sector
- Improve life for those women **already** working in logistics
- Address the **gender imbalance** issue
- Provide **networking** events for members
- Offer **support** and **mentoring**
- Provide **advice** and **encouragement** to those in the industry
- Give **personal development** and support for members through planned activities
- Showcase the **achievements** of role-model women
